00199  
Hammer-tone Finish

The patented HyLoft® Super Pro unit is the largest and most versatile ceiling mounted storage unit on the market. The unique design and floating rail system allow for fast installations and the ability to install in any garage, even on pitched ceilings. The downrod supports can be installed anywhere along the 8 ft. or 4 ft. frame rails and adjust from 24" all the way to 44" in height. Available in both white and hammer-tone finishes.
